Comment:

50X1-HUM

50X1-HUM

headed a special bureau at the end of the war. It is not known, whether, in this capacity, he was subordinate to the Chief Research Authority of to the SPEER Ministry. It is assumed that SANGER is the Dr. SANGER who, at the beginning of the war, was working at the "Luftfahrt-Forschungs-Anstalt Hermann Goering" (Aviation Research Institute Hermann Goering) in BRAULOGEMEIG.
